## Happy Spring!

from President Jeff Redeker

Wow....here we go headed towards one of the biggest days for our club, Grapes for Grads Sunday. Yes, May 4th is just around the corner and that's the big Grapes for Grads Day. This means two things, great opportunities to volunteer and helping the club market by selling tickets, passing out postcards, requesting silent auctions items from your favorite store, getting posters placed in local stores and businesses, and of course, attending on the big day. Make sure those calendars are marked. We have two major fund-raisers that we promote each year (the Car Show in the Fall and Grapes for Grads in the spring) and they really help the club with funding our scholarships, local and international giving and visibility in the community. I truly encourage you to do whatever you can to help this big event. We want the community to see how vibrant our organization is.

We also looking to wrap up our Rotary International Foundation giving. Our club has been "Every Rotarian Every Year" for many years and we want to again be able to say "we did it". Please chat with myself or Laura Parisi about make a contribution, large or small. I know many new members may have questions and we want to make sure we are giving answers.

We also have just completed our application acceptance for our Community Grants. We are very excited to continue the tradition of supporting organizations within our community. Dave Norton is doing a great job and we look forward to the committees review and grant recipients in the coming weeks. Dave has also taken on a project for assisting with Easter baskets for low income families. The club did such a great job putting together the Thanksgiving Care Packages, that we had a surplus of funds. The district approved our club using the surplus by assisting additional families so we are looking to help another 30 families for Easter. Great Job Dave Norton and John Campbell.

One last thing....Remember to keep bringing guest. We have done a great job with membership and it's the result of you, our members, bringing guest and showing our community what Rotary is all about. Let keep it up and thank you to Dave Cler and the club.

# Laguna Rotary Life

*Welcome New Rotarians !*

## *From John Campbell*

Approximately half of our club have contributed to the Rotary Foundation. If you know that you have not contributed, please send a check to our P.O. Box 2 Laguna Beach, CA 92652 address or give it to Laura Parisi. It is very important to the club to make that

100% goal. Believe it or not, our little club has contributed almost \$500K since the Rotary Foundation was established. This is something that we should all be proud of but it all starts with that initial commitment, then a yearly contribution. If you are unsure if you've made it this year, just ask Laura or myself. One person may not change the world, but your small contribution will go a long way in helping a consolidated effort!
