Spring is Here!

from President Phil Owens

Yes, spring is here and Grapes for Grads is approaching fast. April 26th is the date this year. We all need to sell those tickets and volunteer to help out in some capacity. This is one of our biggest events of the year and biggest fund raiser. This year promises to be bigger and better than ever. Jeff Redeker and the G4G committee are working very hard to make this a successful year. So put your name on one of the signup sheets when they are passed around.

Julie Hile and the Interact club have put the stickers on the dictionaries and they are ready to be handed out along with the Chrome Books. They will be distributed on April 27th and April 30th. If you would like to participate please contact Julie.

The Patriots Day Parade was a big success this year. No rain and warm temperatures made it a perfect day for a parade. We all had fun riding and walking. It was great to show our "Rotary Colors" to the community. Some of us went to the Marine Room after the parade but there were no bag pipes or belly dancers to entertain us this year.

We have a new Facebook page. Check it out at [Facebook.com/rotaryclublagunabeach](https://www.facebook.com/rotaryclublagunabeach). Thanks to Cecily Myhro for updating our new Facebook page.

I will be on vacation most of April. John Campbell, Peter Freeman and Jeff Redeker will be running the meetings for me. I will still be available by email if something important comes up. I will be back for the May 1st meeting. Remember we are Dark April 3rd for Good Friday. Have a wonderful Easter and Spring Break.

In Loving Memory of
Peter J. Shevlin

Oh Lord Blessing
May the road rise up to meet you. May the wind be always at your back, May the sun shine warm upon your face, and all the stars fall right upon your fields. And until we meet again, may God hold you in the palm of His hand.

Our members Zahide and Laura were present at the March opening of the new water tower installed for the people of Caborca, Mexico. A big Rotary logo now shines brightly from this elevated tank which provides clean drinking water for the town and will store water for the dry periods. Our Rotary club grant along with Zahide's personal gift last year plus matching funds helped make this "Global Grant" project happen.

Our Board of Directors approved \$2,000 to support another larger water tower in a neighboring area. This is our Laguna Beach Rotary funds doing good around the world!
