Step Up!

from President Phil Owens

We are one month into the Rotary Year. I've presided over 3 meetings as of this writing and two programs cancelled. Thanks to Steve Dotoratos and Cecily Myhro for stepping up with short notice to provide a program. Steve gave a demonstration of CPR and plans to hold a certification program after a meeting in the

future. Cecily spoke on trusts and the need for estate planning. The programs were well received. We planned on voting on the restated bylaws at the July 25th meeting but we did not have a quorum. Hopefully more members will attend the August 1st meeting so we can vote.

It is only three months until our Classic Car Show on October 5th. The Car Show Committee is busy planning this fantastic event. There are a few changes this year. The Festival of Arts is planning on remodeling the grounds when their season is over so we may not have that venue available to us. We are planning on using the city employee parking lot as well as the lot across from the festival grounds. We should have approximately the same number of spots for entrants. It will be challenging so we will need your help to make this go smoothly. Please volunteer when the sign-up sheets are passed around at a future meeting.

Peter Freeman and the Club Service committee are working on the District Grant Application for the upcoming year. The application deadline is August 15th so again we have only a short time to put this together for submission. Dave Cler will be attending the District Membership Seminar on August 2nd. Dave did a great job last year and is off to a good start this year. We again met our "Every Rotarian Every Year" goal last year. Thanks to Laura Parisi, our RI Foundation Chair, for a job well done. Please consider Rotary Direct and automatically give a small donation each month to the RI Foundation. It is an easy way to meet the "Every Rotarian Every Year obligation".

A word about duties! Duties are published in the Breeze every month. You have at least one month and up to two months notice of your duties at an upcoming meeting. If you can't attend that meeting it is your responsibility to find someone to replace you, so there is no excuse for missing your duty. You will be fined if you do. So let's pitch in and fulfill your obligations to the Club.

It is a busy time for our Club and we need every member's help to make this the finest club in Rotary. With everyone's participation we can achieve that goal and "Light up Rotary".

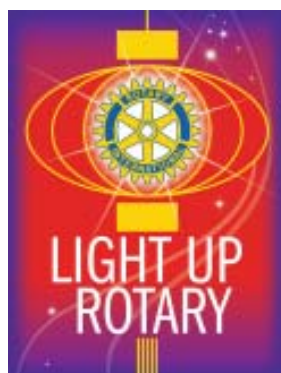

Programs were unavailable at press time. Please check for weekly email updates.
