A Busy Spring !

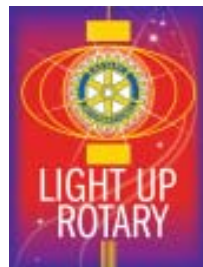

from President Phil Owens

Wow, It's February already. I don't know where the time goes. Seems like time is passing faster since I retired. I thought it would be the other way. We begin to accept applications for community grants this month. Cecily Myhro and her committee will be very busy with the application packages in February and March. This is very time consuming, so if you can help in any way please contact Cecily.

Jay Andrus only has three spots open for the guest chef program the rest of this month. Thanks to all of you who have participated in the guest chef program. If you have a chance to spend an evening providing for the Friendship Shelter, you will find it very rewarding.

As one of our District Matching Grants, Julie Hile and the Interact Club have ordered the dictionaries for the district third graders and Sherine Smith will be ordering the Chrome Book tablets. We began the Chrome Book program last year and it was a big success. The club will be handing those out soon. If you have the time, it is really enjoyable to watch the kids receive those dictionaries. We will be signing up at a meeting soon. The Patriots Day Parade will be on March 7 this year. Please sign up and march in the parade with the club. We want to show the town our fantastic club that gives grants to the community, puts on the car show and Grapes for Grads plus many other services.

It is a busy spring and summer will be here before we know it. Participate when you can and remember to **"Light up Rotary."**
