## Another New Year!

from President Phil Owens

**As we start another new Rotary Year** I reflect back on our past year. Under Jeff Redeker's leadership our club has accomplished many great things. Record breaking Car Show and Grapes for Grads projects. Increasing the number of Holiday Gift Packages and adding Chrome Books to the 3rd grade dictionary project. Our membership has increased to 67members. I am confident our club can continue the great work we have done over the past years. Thank you Jeff, the Board of Directors, and the Club for a fantastic year.

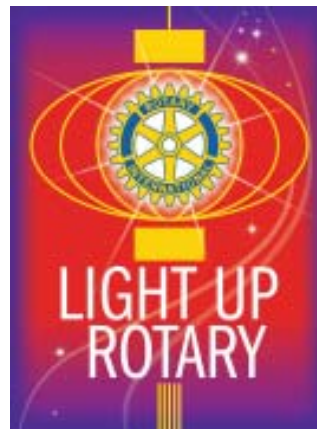

I had the pleasure of attending the Rotary International Convention last month. I was in awe at all the projects Rotary International does around the world. It was truly inspiring. I met people from around the world with the same goals in mind, service above self. If you haven't attended an RI Convention I urge you to try to attend one in the

future. You won't be disappointed.

During my year as President Elect I talked with many other president elects from our district. They were amazed at the amount of money we raised for scholarships, community grants and many other projects. Our club is blessed with members who dedicate so much time and energy to these projects. I am confident we can continue to make Laguna Beach Rotary the finest club in Rotary.

I am honored you chose me as your President this upcoming year. I will do my best to live up to the standards set by my predecessors. We have a great board of directors and with the help of the board and the club we will have a fantastic year.

*So let's go out and "Light up Rotary"!*
