Thank You to All!

from President Jeff Redeker

Well summer is here and so are the crowds to our town. As we begin the strategies of moving through town, parking and trying to enjoy summer with friends and family while navigating guests to our wonderful town, know that we have accomplished a great deal this year and have amazing projects still in process. First, at the high school convocation on June 6th, we will have be supplying more scholarships to students than any other service organization in Laguna. This is due to the great work that the Grapes for Grads committee accomplished and the great work by the scholarship committee. We will also be issuing several scholarships to student of Laguna College of Art and Design, including a scholarship in the of the senior who was tragically killed while crossing Laguna Canyon Road. It will be the Nina Scholarship. Thank you so much for your months of work. It is truly inspiring seeing the commitment of our committees and club as we assist our young adults and future leaders with achieving their academic goals. We will also be issuing our community grant this month as Dave Norton's committee will be provide multiple grants to organization in our community that do so much for so many people.

Our accomplishments are many, including an increase in membership from 54 members to 67. Your board is now reviewing our by-laws and hopefully they will be updated by the end of the fiscal year. We assisted 130 low income families with holiday and Easter care packages, we awarded dictionaries and Chrome learning pads to every 3rd grade classroom in Laguna Beach. We have several international projects underway with including our Mexico project working with the Rotary Club of Laguna Niguel. There are so many more events and projects that truly assist every aspect every day in and out of Laguna that we truly can say "Engage Rotary, Change Lives".

We do have one goal left to achieve between now and the end of June. Please help our club achieve Every Rotarian Every Year status for another year. Myself and other board member will be calling and trying to assist in achieving this goal. Please help us get there know all the incredible ways the Rotary International Foundation assist throughout the world and locally. Your contribution is the key, large or small. Let's wrap this up and start Phil off on a great note.

I will end my final message with a huge THANK YOU to every member of our club. It has been one of my greatest honors to be your president this year and I have been humbled with the truly remarkable persons we have in our midst. The best to all.
