President's Message

Hello Rotarians! Welcome to the Year of the Tiger. This past February we celebrated Chinese New Year. May this year be prosperous for us all! Thank you Katy Moss for the great success on the Guatemala Literacy. Our Laguna Beach Rotarians really came through and we ended up collecting double our goal. We also had the honor to reward the January and February student of the month.

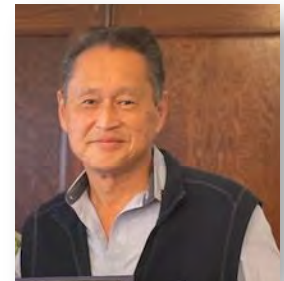

Here are some exciting events coming up this Spring. **Saturday, March 5th is the Patriots Day Parade** and we

are all looking forward to celebrating our Patriots Day in Laguna Beach. April 17th is Easter and may you all have a great time with your loved ones. **Sunday, May 1st is Grapes for Grads** and we are all

excited to see all the vendors and raise money for the Scholarship. Jeff and Kerri Redeker and their team are working very hard to make this event better than ever!

Finally Omicron cases are getting better and it has been great seeing all our members in person again!

- Wally
