Grapes for Grads

April 26

No Rain on our Parade

from President Phil Owens

It's less than a week for the Patriots Day Parade and it is raining. As you may remember the parade was rained out last year. But the good news is that the forecast for Saturday is clear and warm. Good weather for a parade. I'm hoping we will have a great turnout of Rotarians marching in the parade.

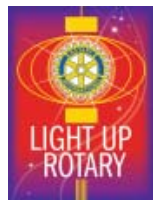

As of this date we do not have a program chairperson. So, if you know of a speaker you think the club would enjoy please contact me and I will schedule them. We don't have anyone scheduled after March 6th.

The Dictionary Project is moving along. Julie Hile and the Interact Club will be putting the stickers in the dictionaries and we will be handing them out later this month. If you want to participate in the distribution please contact Julie.

The Car Show Committee met for the first time this year. Lots of good ideas and discussion took place. The festival grounds will not be available again this year as they are planning another remodel project right after the Art Festival closes. Hopefully we will be as successful this year as we were last year with the challenges we have.

Grapes for Grads is just around the corner. This is a great opportunity for you to volunteer. We need everyone to help out with this project. Jeff Redeker and his committee are working very hard to make this a memorable year.

Just a word about Greeters. A few months ago the Board decided it would work more efficient to have both greeters set up and take down. So we don't have Greeter 1 and 2 anymore. Both greeters should be at the door greeting members and guests. One greeter should escort guests to a seat and introduce them to others at the table so they feel welcome at our club and don't feel they are on their own. The other should remain at the door greeting. After lunch begins and it appears most have arrived you can get your lunch and sit down. Thanks for your help and remember to "Light up Rotary."

MEMBERSHIP from Dave Cler

Our club has reached "Premier Status" in the district for the second year in a row. Points are accumulated through the Ignite program for bringing in new members, participation in club service activities, fireside chats, having guests at our meeting and attending District membership seminars. For more information, look on the District web site and click on the Ignite program or contact me. Congratulations to our club! Continue bringing guests to our meetings and club events!

Welcome Diana
