ROTARY CLUB OF LAGUNA BEACH PRESIDENTS MESSAGE

It was an honor once again for the Rotary Club of Laguna Beach to sponsor the incredible Grapes for Grads wine tasting event. Grapes for Grads has been raising money for the past 12 years for Laguna Beach High School (LBHS) and Laguna College of Art + Design (LCAD) scholarships to further their education goals.

I'm just so grateful for the event's success. Attendees were giving constant praise and appreciation and mentioning that the event continues to get better and better each year. A huge thank you goes out to the Steering Committee who started putting this event together as soon as last year's event ended, and, to the volunteers who stayed from beginning to end and everyone else involved in making of this event the best to-date. There are so many moving pieces to putting on an event like this; however, everything seemed to fall into place just perfectly. I hope you all feel very proud of yourselves!

It's great to start off the month on a high, but we need to remind ourselves – this is what we do. We are a group of like-minded individuals who understand that combining our time, talents and resources will allow for a greater impact in our community and around the world. Congratulations to everyone – our community and our students are better off for having the Rotary Club of Laguna Beach in it. There is so much we do behind-the-scenes and we can be confident we're making a difference. So, let's get back to work! The Car Show is only a few short months away and the Car Show Committee Meetings are in full swing, with the next one scheduled for May 19th.

I look forward to May and the great programming yet to come. If you are a new Rotarian, or a current Board Member, be sure to attend the Fireside Chat at Peter Freeman's home on May 11th at 6:00pm to learn how the Board works, as well as Rotary International. The Rotary District Conference will be held on Saturday, May 20th in San Diego. We will be dark on Friday, May 26th for Memorial Day and then it's June...and your soon-to-be President, Stan Carmichael, will be taking the reins of this precious club.

Very truly,

President Julie
