Preparing for Autumn

from President Phil Owens

The Car Show is over and with all the challenges of a partial venue it appears it was a big success. As I handed out the awards the recipients expressed how much they enjoyed the Car Show. It was cold and windy for setup, hot during the day, and still hot for take down. We had a great turn out and I want to thank all of you who joined in to make this a great event. A special thank you to Harry Bithell and the Car Show Committee for a fantastic job putting on this event.

Great news, our two grant requests were approved by the District. We will receive \$5000 in matching grants for our Holiday Care Package project and dictionary and Chrome Book project. Now that the Car Show is over we will start planning our Holiday Care Package project. Here is a great opportunity to help those in need by pickup up groceries, packing the boxes, and handing them out to the recipi-

ents. As we close in on Thanksgiving let's make it a happy occasion for those who need a helping hand. Please help out.

Our mixer on September 24 was a big success. I saw a lot of members at the Marine Room and met some potential new members including my former neighbor. A big thank you to Kerry Harker and John Campbell who planned this event. Thanks to those who attended. We look forward to the next one.

As we head into October the Nominating Committee will begin deliberating about next year's Board of Directors. November is Rotary Foundation month. We want to continue our many years of "Every Rotarian every year" in our Foundation giving. So, get out your check book and donate to the Foundation. Remember half of those funds you donate come back to the district for matching grants after 3 years. So as the holidays approach let's keep up the good work we are doing and "Light up Rotary."
